\*Women must be employed at sponsoring business. Membership contributions will be utilized by the WWL for community projects and not contributed to The United Way of Ellis County, and intended to be above and beyond your annual contributions to the UW Community Campaign. Logos are to be provided to the United Way of Ellis County by the sponsoring business, in either a high-resolution vector or pdf file format. Logos will be utilized in print, video & web applications. If your business has files specific to the process, please provide that information in the logo title (company.web.pdf).
